The personal information contained on this form is collected pursuant to Section 32c of the Freedom of Information and Protection Privacy Act, Part 17 of the Municipal Government Act, and will be used for the purpose of application review and analysis and may include notification to various County or Provincial Departments or agencies; and adjacent landowners and/or municipalities in which the application and/or related correspondence is copied and circulated. The application process can be viewed in our Land Use Bylaw #273 on our website at www.svofficepl.com. If you have any questions about this collection, please contact the Planning and Development Department, Summer Village Office at 780.586.2494.

The following plans, specifications and documents **must** be submitted with the application:

Site Plan

A site plan to scale, showing:

Yards, Building, Parking

The proposed front, rear and side yards, locations of all existing building, and any provisions for off-street loading and vehicle parking and access.

Water Wells and Septic Tanks

Water drainage, septic and water wells must be identified. Show distances from neighbour's holding tanks and well sites.

Grading and Drainage

An application for a new building shall contain drainage and grading plan.

Construction Drawings - Three (3) Copies

Floor plans, elevations and sections, including all height and horizontal dimensions. In the case of a dwelling, an architect's rendering of the finished building and the buildings on adjacent lots.

Construction Drawings must also include **elevation drawings**, which show the viewpoint of the lot from the lake and/or road, with the proposed building in relation to the existing buildings on the subject and neighbouring lots. All elevations are to be shown relative to grade as defined in the Land Use Bylaw.

Cantilevered extensions, bay windows, chimneys, eaves and other extending features must conform with the Land Use Bylaw.

Real Property Report (Surveyor's Certificate)

A real Property Report or a Building Location Certificate prepared by an Alberta Land Surveyor when renovations or additions are being added to an existing property, OR when an existing building(s) are totally removed or demolished.

Accuracy of Building Placement

If the proposed development is for a new building, you may be required to submit a Real Property Report, prepared by an Alberta Land Surveyor, after the footings have been installed, but before any flooring or framing work has commenced, certifying the building under construction meets the yard and setback requirements of the Land Use Bylaw and the Alberta Building Code.

- Development Permit Fee** Basic Fee \$75 plus \$10.00 per \$10,000 of construction value.
Permit Fee enclosed is \$ _____ (Minimum fee is \$125.00)

Development Permit Fee, made payable to the Summer Village of Ma-Me-O Beach, must accompany the application. If you have specific questions regarding your proposed development, contact the Development Authority at (780) 586-2494 or visit our website: www.svofficepl.com and click on Ma-Me-O Beach.

The personal information contained on this form is collected pursuant to Section 32c of the Freedom of Information and Protection Privacy Act, Part 17 of the Municipal Government Act, and will be used for the purpose of application review and analysis and may include notification to various County or Provincial Departments or agencies; and adjacent landowners and/or municipalities in which the application and/or related correspondence is copied and circulated. The application process can be viewed in our Land Use Bylaw #273 on our website at www.svofficepl.com. If you have any questions about this collection, please contact the Planning and Development Department, Summer Village Office at 780.586.2494.

I / We hereby authorize the Development Authority or designate to enter on to the property during construction to ensure that all development is in accordance with the Land Use Bylaw.

Note: The undersigned property owner acknowledges that the public at large may view their development permit file including blueprints.
