WATEWATER SYSTEM UPDATE

Remediation and Repair of the Wastewater System

Please be advised that THS Septic and Civil Solutions, Dart Electrical, and WSP Engineering will be working in the Summer Village with mobilization work starting immediately and major project excavation and remediation beginning Sept 7, 2021.

The contractors will be exposing the wastewater line, making necessary repairs and replacing the heat trace cable between the control panels and junction boxes section by section throughout the Summer Village.

Work, weather permitting, is expected to be completed by November 30, 2021.

THS Septic and Civil solutions will provide construction notices and updates for each section of line to ensure that residents in the affected areas are aware that the work will be underway. THS will also post signage at the ends of each block. Our contractors will make every effort to minimize the inconvenience to our residents.

The first Notice from THS is attached. Note that you can subscribe to their Notice and receive an email when there is an update.

The Summer Village will be posting weekly updates on the website to keep you informed of the progress on the project.

Our contractors regard safety as a priority. Please be cognizant of the dangers inherent in a construction site and stay clear of the construction area at all times.

If you have questions or concerns about the project as it progresses, please contact the Summer Villages Office 780-586-2494.

CONSTRUCTION UPDATES

NOTICE OF CONSTRUCTION

Hello Residents of Ma-Me-O Beach!

We are very excited to announce rehabilitation on the sanitary main will commence on August 25th 2021. We will begin in the area between 9th-11th St, 1st Ave, starting with a test section and continuing on to additional areas, working our way throughout Ma-Me-O in an efficient manner. This newsletter is to keep you informed on the progression of this project and to offer information and advisories to the residents of Ma-Me-O Beach.

Any questions related to this project may be directed to the Summer Village of Ma-Me-O Beach at 1-780-586-2494 or by visiting their website at [Ma-Me-O Beach Website Link](#)

Ongoing construction updates will be sent out by email as we move forward. If you wish to update the email address for our newsletter, or know of someone who may require updates to be sent, they may do so by clicking the following link: [Ma-Me-O Beach Rehabilitation Newsletter Signup](#)

Kind regards,
THS Septic
