

IMPORTANT ANNOUNCEMENT

NOTICE OF CONSTRUCTION

This notice is to advise residents of MaMeO Beach that Construction is scheduled to commence around the areas 10-11th street 1st Ave and continuing over into 10-11 street 2nd Ave over the next couple of days (starting May 12th). Residents may have noticed utility companies locating to prepare for upcoming work and we ask that all flagging stay intact and not be removed until we have completed that area. THS will be focused on notifying homeowners that may be affected by phone, however if you are located in this block, please proceed with caution when in a construction zone.

After construction is completed on these blocks, crews will be moving over to continue rehabilitation from 5th street (1st ave) and 6th street (1st ave). This work is not anticipated to begin until **after** May long weekend. There may be disturbance during this time around Jubilee Park and we thank you for your patience while we remediate this portion.

This notice will also be posted on the MaMeO Beach website in best effort to keep you updated and informed on construction in your area.

Thank for much for you time and your consideration on this project!

Kind regards,
THS SEPTIC
Office 403.844.2559
