March 22, 2021

After what seemed like a long and cold winter, it would appear that spring might be around the corner! The Village Office is preparing for the Boat Hoist Program once again for Ma-Me-O Beach ratepayers.

Property ratepayers who wish to participate in the boat hoist program will need to provide the following to the Summer Village Office:

- Complete, sign and return, the Boat Hoist Agreement 2021
- Complete, sign and return, the Terms and Condition Agreement
- Submit payment (cheques made payable to the Summer Village of Ma-Me-O Beach) for the Total Fees.
- Incomplete documents/payment will result in delays of installation.

Please note:

- The ratepayer **MUST MARK AND IDENTIFY THEIR HOIST** in accordance with the regulations pursuant to Transport Canada *Navigable Waters Protection Act (NWPA)* Program with permanent markings or weatherproof paint. The boat hoist must clearly be identified with the owners name and municipal address and be marked with appropriate yellow reflective tape to identify the hoist location in darkness.
- Hoists cannot be placed more than a depth of 30 inches as the tractor cannot go any deeper. Distance will vary based on sandbars.
- The Summer Village Office will coordinate the process with the Public Works Foreman. All instructions and work requests must be directed to the Summer Village Office.
- All installations and removals will be dependent on good weather and safe conditions.

If you have any questions, please contact the Summer Village Office at 780-586-2494 or information@svofficepl.com.
